

UMTIA

Upper Midwest Translators and Interpreters Association
Chapter of the American Translators Association

Credit Policy

Registrants for UMTIA events who have prepaid and are not able to attend the event have two options for credit:

1. We send you a refund check, minus the processing costs and postage that have been incurred.
2. You may use some or all of the credit to renew your membership or become a new member of UMTIA.

If the credit is less than the membership fee, the registrant will pay the balance. When UMTIA is requested to apply credit to the membership fee, we will let you know how to pay the balance.

Unused credits at the end of the year will be incorporated into UMTIA's general funds in order to further the mission of the Association.
